I'm sending this message to individuals on the Sunshine 1200k waitlist.

I sent out an update to the registered riders today and a couple of people have let me know that they cannot do the ride. I expect that by the end of January, when the balance of the ride fee is due, I'll have some more registered riders who bow out. There will be more later, no doubt, as life gets in the way of Randonneuring !

I'm also tracking some riders who will not need bike transport from Fort Myers Beach to Key West, which is one of our limiting factors.

On or about the 1<sup>st</sup> of February, I'll be reaching out to the first group on the waitlist to fill the vacancies. In the meantime, if you've decided that you are not likely going to be able to do the ride, please let me know so that it will take less time to complete the process.

As always, let me know if you have any questions ...

Thanks !

Dave Thompson.
